Yes, agreed. And I'm OK with you still reaching out to the team.

I'll have a look at the background materials you sent.

Yes I'm fine.

But we can handle wording/etc. during memo review phase/editing. I'm fine going ahead with the analysis.

I just noticed that you were not included on this email exchange below. Do you want to ask Lindsey & Rebecca to go ahead and add the new analysis as a "what if"?

Mark had me do the analysis using the historic mean rate as well as the two rates provided by AgLogic (25 lbs product and 33 lbs product). Mark has reviewed and approved. I'll be prepared to discuss with the team next week.

Hi Margarita,

Sorry for not following up earlier. Marion and I had a call following your meeting and Mark participated.

I hope that I am getting the terminology correct, but I believe he said that

Ex. 5 Deliberative Process (DP)

Does this help?
